**Dear Friends and Neighbors,**

It's an honor to serve you in the state House of Representatives. Thank you for placing your trust in me to work on your behalf.

Long before I arrived in Olympia, my focus has been on the needs of our communities. With parts of Grant and Yakima counties, and all of Lincoln and Kittitas counties, the 13th District includes some of the most agriculturally-intensive areas of our state. That's why my top priorities include supporting our farmers and finding common-sense solutions to our water issues. I'm also deeply committed to seeing doors of economic opportunity opened to the people of our region; including creating more family-wage jobs, protecting taxpayers, amply funding our schools, and promoting business growth.

Hearing from you helps me represent your values more effectively in Olympia. Please take a few moments to fill out this legislative survey so I can better understand your thoughts and concerns about state government.
